

## **Family Income Supplement**

### **Family Income Supplement (FIS)**

FIS is a weekly tax free payment to families, including one-parent families, at work on low pay.

### **Contact with FIS staff**

In general, FIS staff will not contact Revenue directly in relation to claims. However, where exceptionally FIS staff contact Revenue directly by telephone for information on the taxation position of claimants, officers should provide whatever information is required to enable them determine whether entitlement to FIS arises. In so doing, officers are reminded of the need to observe Revenue's [Telephone Security Procedures](#).
