

Rental Income (Case V)

Part 04-08-01

Document last reviewed April 2017

A guidance note on rental income – [IT70 A Revenue Guide to Rental Income](#) – is available on our website. This gives a general overview of the principle provisions relating to Case V and some related issues. It presents the issues in a simplified way and does not contain the same level of technical detail as the Tax Instructions on some of the issues mentioned in the guide.
